Endangered Animals  
and Plants Ordinance, 1976

I Assent

W. W. WALLACE,  
Governor,  
28th May, 1976.

VIRGIN ISLANDS

No. 4 of 1976

An Ordinance to restrict the importation and exportation of certain animals, plants and articles; to restrict the movement after importation of certain live animals; and for purposes connected therewith and incidental thereto.

[Gazetted 10th June, 1976]

ENACTED by the Legislature of the Virgin Islands.

Short title  
and  
commencement.

1. This Ordinance may be cited as the Endangered Animals and Plants Ordinance, 1976 and shall come into force on such day as the Governor may, by Proclamation published in the Gazette, appoint.

Interpretation.

2. In this Ordinance, unless the context otherwise requires –

“Customs Officer” means an officer appointed as such under section 6 of the Customs Ordinance, 1975;

“Minister” means the Minister of Government charged with portfolio responsibility for the subject matter of this Ordinance;

“Schedule” means Schedule to this Ordinance; and

“Territory” means the Territory of the Virgin Islands.

Restriction of importation and exportation of certain animals and plants.

3. (1) Subject to subsection (2), the importation and the exportation of –

(a) a live or dead animal of any of the kinds for the time being specified in the second column of the First Schedule;

(b) a live or dead plant of any of the kinds for the time being specified in the second column of the Second Schedule; or

(c) an article for the time being specified in the Third Schedule,  
are prohibited.

Virgin  
Islands

(2) Subsection (1) shall not apply to the importation or exportation of anything therein referred to under and in accordance with the terms of a licence issued by the Minister.

(3) A licence issued under subsection (2) may be to any degree, general or specific, may be expressed to be valid for such period as may be stated therein and may be modified or revoked at any time by the Minister.

(4) A person who, for the purpose of obtaining whether for himself or another, the issue of a licence under subsection (2) –

(a) makes a statement which he knows to be false in a material particular;

(b) furnishes a document or information which he knows to be false in a material particular; or

(c) recklessly makes a statement which is false in a material particular,

shall be guilty of an offence and liable on summary conviction to a fine of one thousand dollars or to imprisonment for twelve months.

(5) Where a live or dead animal or plant of any of the families for the time being specified in the first column of the First or Second Schedules or an article for the time being specified in the Third Schedule is being imported or exported or has been imported or brought to any place in the Territory for the purpose of being exported, any Customs Officer may require any person possessing or having control of the animal, plant or article to furnish proof that its importation or exportation is or was not unlawful by virtue of this section; and if such proof is not furnished to the satisfaction of the said Customs Officer the animal, plant or article shall be liable to forfeiture under the Customs Ordinance, 1975.

No. 8 of 1975.

4. The Minister may from time to time, by Order published in the Gazette, make such modifications in any Schedule as he considers necessary for any of the following purposes, namely –

Power to  
modify  
Schedules.

(a) to reflect any amendment made under Article XV of the Convention on International Trade in endangered Species of Wild Fauna and Flora made at Washington on the 3rd day of March, 1973 (which relates to amendments about the kinds of animals and plants in respect of which trade is restricted under the Convention);

(b) to reflect the inclusion of an item in or the withdrawal of an item from Appendix III to the said Convention (which relates to kinds of animals and plants in the

trade in which a party identifies as needing international control) at the instance of any country a party to the said Convention;

- (c) where the Minister decides, after consultation with any body or bodies established under section 6, that the importation and exportation of any animal or plant of a particular kind or of any article derived from any animal or plant should be (or should no longer be) restricted, to give effect to that decision.

**Restriction 5.** (1) Where a licence is issued under section 3(2) in respect of movement of certain live animals specified in the second column of the First Schedule and the Minister considers that it is desirable to prevent commercial exploitation he may issue the licence subject to the condition that the animal shall as soon as is reasonably practicable after its importation be taken to and subsequently kept at a place specified in the licence until such time as he may, on an application made by or on behalf of the person to whom the animal for the time being belongs, give permission for it to be moved from that place.

(2) Where a licence has been issued subject to such a condition as is specified in subsection (1), any person who, being the person to whom the animals concerned for the time being belongs, —

- (a) takes it, or knowingly permits it to be taken, after it has been imported, to a place other than that specified in the licence and other than one connected with the importation, or
- (b) moves it or knowingly permits it to be moved from the place so specified in the absence of such permission as is mentioned in subsection (1),

shall be guilty of an offence and liable on summary conviction to a fine of two hundred dollars.

(3) Proceedings for an offence under subsection (2) may be commenced at any time within a period of six months from the date on which there comes to the knowledge of the Attorney-General evidence sufficient in his opinion to justify a prosecution for that offence; and for the purposes of this subsection —

- (a) a certificate of the Attorney-General stating that such evidence came to his knowledge on a specified date shall be conclusive evidence of that fact; and
- (b) a document purporting to be such a certificate and to be signed by the Attorney General shall be presumed to be such a certificate unless the contrary is proved.

6. The Minister may establish such body or bodies, consisting in each case of such members as he may from time to time appoint, and it shall be the duty of any body established under this section to advise the Minister on any question which he may refer to it and on any question on which it considers it should offer its advice in connection with the administration of this Ordinance or otherwise in connection with the importation and exportation of animals and plants of kinds which appear to him or, as the case may be, the body, to be endangered and articles derived wholly or partly from them.

7. Where an offence under this Ordinance which has been committed by a body corporate is proved to have been committed with the consent or connivance of, or to be attributable to any neglect on the part of, a director, manager, secretary or other similar officer of the body corporate, or any person who was purporting to act in any such capacity, he, as well as the body corporate, shall be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Passed the Legislative Council this 20th day of May, 1976.

I. DAWSON,  
Speaker.

M. G. BORDE,  
Clerk of the Legislative Council.

Advisory bodies.

Offences by corporations.
